

Forensic Accounting Services

Need an expert witness? We provide quality opinions based on sound reasoning and analysis.

Whether they are large or small, disputes are a part of everyday life and for more than 20 years, our Forensic Accounting team have acted as independent experts on behalf of businesses, individuals and government departments.

We pride ourselves upon our ability to deliver objective, well-reasoned and logical advice in a timely manner and our team is adept at analysing and distilling complex information that enables all parties to have an understanding of the relevant financial and accounting issues.

Our Forensic Accounting team is experienced in presenting expert evidence before court, tribunal and mediation/settlement proceedings. Our specialist teams understand the settlement process be it negotiated, mediated or Court determined and we bring a broad base of business experience and a diverse skill set to examine the financial affairs of the parties and establish the facts.

Regardless of whether the matter involves a matrimonial breakdown, acquisition or assessment of economic loss, we are responsive to your objectives and transparent in our dealings, thereby giving legal counsel confidence that our opinion is expert and fair, will survive the rigours of cross-examination and be clear, comprehensive, balanced and reasoned.

Our Approach

Dawgen Jamaica adopts a clear, independent approach to their engagements and delivers to legal teams and clients concise, conclusive reports and advice that is supported by expert testimonial.
